

# Meet the TEACHER

## A bit about me...

Hello FIWS  
Welcome to our new nursery starters and welcome to our school. This is my second year in nursery and I have really enjoyed teaching the youngest children in our school. I am really excited to meet you all and look forward to finding out all about you.

You will be excited to know that I love to play outside and like to run about. I am very silly and love to have a laugh and a giggle. I enjoy running and playing football and you'll see that I also love Star Wars.

## Next year I am looking forward to...

exploring our outside area that we have developed and tasting all the fruit and vegetable's that have grown at forest school.

## The rest of our year group team are...

Miss Franks  
Mrs Pearson  
Mrs Richardson
