**Executive Head Teacher:** Nicola Davies

**Head of School:** Emma Severn

On Wednesday 27th February, 16 children from Holgate's choir attended the Holgate Academy to sing in the 2019 Holgate Schools Choir Festival. We have been practising our songs for many weeks and were all super excited! We sang Fight Song by Rachel Platten and Human by Rag 'n' Bone. It was fabulous to watch the other local schools too. Lots of adults came to watch and Miss Roe/ Miss Willett think we sang our hearts out.

Well done choir, we are super proud of you!

What a busy week we had in 2JB – In English we have been writing instructions; how to make a mask and how to clean your teeth. Pupils have used imperative verbs to be clear and more specific. We have been handling data in maths; learning to read and interpret pictograms and block graphs and we are now beginning to draw our own.

To conclude our topic on Africa we had an AMAZING drumming session with Milla – It was great to see so many parents come to join in. Both parents and children said how much fun it was, how exciting it was to try something new and how good it made them feel. THANK YOU for joining us.

2JB had a visit from 3KW this week too; Year 3 have been writing comic style stories about Traction Man and his adventures. It was lovely to see and hear pupils sharing their own work with a real audience. Reading is such an important life skill and all pupils gained such a lot of from this air and share buddy system.
