

# Meet the TEACHER

## A bit about me...

Hi Year 4, Mrs. Wilkinson here! I am your new class teacher in September! Some of you will have been in my class last year and will already know lots about me but for those of you that weren't, here's a few things about me: I am a real dog lover and have a big old doggy called Oscar.

I am quite Disney mad and enjoy watching Disney and Disney Pixar films both old and new. Recently, I watched all of the Star Wars films which I really enjoyed!

I also read a lot and thoroughly enjoy story time at the end of each day.

## Next year I am looking forward to...

Teaching about the Romans. It's really interesting as you'll find out how clever they were at building. They made roads, central heating systems and even had indoor plumbing!

## The rest of our year group team are...

Mr Smith  
Mrs Cavill  
Mrs Williams
