

Meet the TEACHER

A bit about me...

Hello 1BG! I am Mrs Grimwade and I will see every Thursday and Friday. I have taught lots of different year groups but I think Year 1 is my favourite - we get lots of fun things to do ☺. One of my favourite subjects is Science. A long time ago, before I became a teacher I was a scientist in a big laboratory but doing science experiments at school is much more fun. Another thing I love is reading. One of my favourite picture book authors and illustrators is Oliver Jeffers. My favourite is a book called Lost and Found. I am looking forward to sharing it with you. I also love baking and making yummy cakes with my children.

Next year I am looking forward to...

Reading lots of stories together, doing lots of fun science investigations and being really creative in our Art and D&T sessions but most importantly I am looking forward to having lots of FUN!

The rest of our year group team are...

Mrs Barnes
Mrs OKane
Mrs Barnett
Mrs Humphreys
