Time 2 Chat:

For this weeks time to talk we would like you to talk to your child about the vehicle they have been completing this half term.

You could ask them questions such as:

Can they tell you what the vehicles title is?

Do they know what their end outcome is?

What have they learnt so far?

Are there any key words that they have learnt?

What have they enjoyed learning about?

Is there anything further they would like to find out about?

What was their favourite activity?

Last week every class received a worry monster. We read the story of the huge bag of worries and we read the worry monster poem. We know that we can write or draw our worry on the slips of paper and then we can put the worry in the monster. The children said...

Here is a link to the story of the huge bag of worries if you would like to share the story with your child at home.

EYFS

Nursery have really enjoyed making wind wands this week, we decorated our wands with lots of wool and ribbon. The weather has been great for this activity, and we got to go outside and see how what happens. The wind blew the ribbons around and we thought it was lots of fun watching them fly in the air.

KS1 (Years 1 and 2)

Year 2 Parent Workshop

Year 2 are holding a showcase of their learning on

Friday 10th February

from **10:30am – 11:30am**

This will be a chance for the Year 2 children to showcase their learning on their 'Gruesome Germs' vehicle

Please contact the school office if you would like a place.

KS2 (Years 3 and 4)

Telling the time in 5 minute intervals has been tricky this week in **Year 3**. The children know how to tell the time past the hour. But tell the time to the next hour has got our brains thinking.

Here is a teaching clock to help support your child.

This week **Year 4** have been continuing finding out about the Anglo-Saxons. We looked at different artefacts and identified what this told us about life in Anglo-Saxon times. In Maths, we've been looking at the link between fractions and decimals. We've used counting sticks and visual representations to help us understand all about tenths. In English, we're starting to write scripts ready for creating our own Horrible History style sketches!

KS2 (Years 5 and 6)

The children in **Year 6** have really been enjoying their music lessons recently. This is due to Mrs McIlwaine being able to accompany them with her guitar. The children have loved learning new songs and have been taught key chords on the musical instruments to play along with her. It's been so lovely to hear and great to see so many pupils joining in.
