

# 1stClass@Number

## Overview

1stClass@Number is a Post Office theme intervention for children who need a little extra support to improve their mathematical skills and understanding.

## Staffing

Mrs Cavill and  
Miss Willett

## Who accesses this?

Children who require support/help with math skills and understanding.

## Assessment

This will be done at the start and end of the intervention, to measure their progress (we use an assessment tool we have in school).

## Structure

A group of 4 children will have 3 sessions a week for 10 weeks, alongside their daily math lesson with their class teacher. Each session is 30-40 minutes.
