

Language Link

Overview

The children will complete a range of speaking and listening activities to teach and assess their knowledge of common vocabulary. They will build up their listening, attention and vocabulary skills along specific themes relevant to them such as, playground, class-room, swimming and the beach.

Staffing

Mrs Williams

Who accesses this?

Children who require support/help with speech, language and communication.

Assessment

Each session is assessed for its effectiveness. A formal assessment is carried out at the start and end of each year to track progress.

Structure

Children will have 3 x weekly sessions as part of a small group. Each session is 30 minutes.
