Time 2 Chat:

For this weeks activity we would like you and your child to use your imagination. First tell your child to draw a map of a town, imaginary or real. They could include places such as a school, hospital, library, park and shops. Now using the map created as a prompt encourage your child to create their own story. If the map is of an imaginary town, you can imagine what it would be like to live there. Tell a story about the day-to-day activities in that town.

What might happen?

Who might you see?

What might go wrong?

Where might you go?

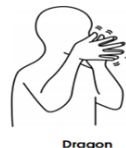

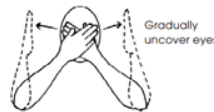

Take turns to tell a story using your imagination For example "one day a hurricane comes and destroyed the town..." or "Aliens coming to the town..."

EYFS

Nursery enjoyed listening to a piece of piano music by Yiruma yesterday morning, the piece was called Butterfly. We thought about how the music made us feel and tried to draw our ideas on large pieces of paper.

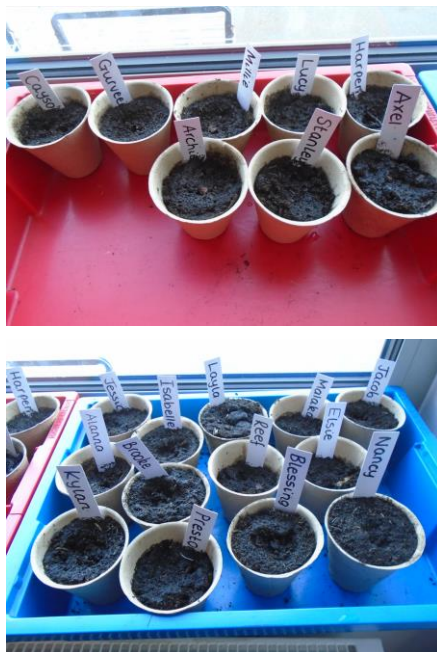

What a fantastic day the children in **F2** had yesterday! The sun has been shining, enabling us to get lots of jobs done in forest schools. The kids have worked together to further develop the frog pond, weaved the willow, tidied the physical area, making a climbing track and chosen where we are going to develop our new butterfly area.

KS1 (Years 1 and 2)

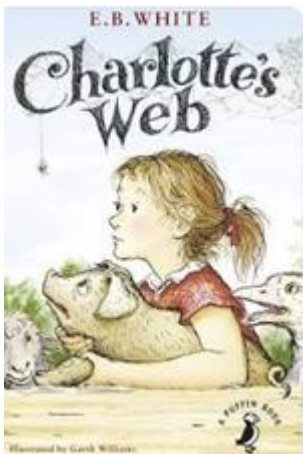

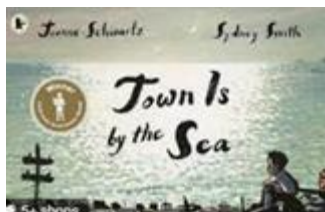

This week **Year 2** have been reading the book 'The Very Smart Pea and the Princess to Pea' and have planted peas inspired by this. They will be writing instructions for how to plant peas which will be used to help gardeners. There are lots of green fingers in Year 2!

KS2 (Years 3 and 4)

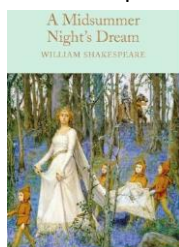

What a busy start to the summer term **Year 3** have had! We have started:

- a statistics unit of work in maths, talking about data, how to handle it, record it and compare it,
- two new texts, 'Town is by the Sea' tells the story of a young boy having lots of fun while thinking about his dad, a collier working down the coal mine, and
- Charlotte's Web by E.B. White, a classic children's book about love, friendship and trust.
- And our new vehicle 'Battle of the Mines,' is all about coal mining, both in the UK and in our local area.

KS2 (Years 5 and 6)

Year 5 have had a fantastic first week back at school. We have started our new English unit based on the text 'A Midsummer Night's Dream' by William Shakespeare. We have been learning about the characters from the text and the plot so that we can write a diary entry for one of the characters. We have also started our new vehicle this week, which will be all about Ancient Greece. We started by understanding where Ancient Greece fits on a timeline of historical periods. Finally, we really enjoyed our new science learning this week all about space. We started to learn the names of the planets and put these in the correct order.

Just before the Easter break, **Year 6** had a visit from Georgina, who gave a very "hard hitting" talk on the worrying and sad involvement of children and young vulnerable people in County Lines criminal activity. We heard about two tragic true stories of young teenagers, who became involved. It was a whole afternoon presentation, but our Year 6 rose to the challenge and were very engaged in the discussions, showing much maturity in their questions.

Nursery Rhymes at Holgate

In EYFS and Key Stage 1, the children will be having a weekly nursery rhyme focus.

This will be practised in each class throughout the week as well as during assemblies.

Every Friday, this will be put on the newsletter in preparation for the upcoming week. This will give you chance to engage with the nursery rhyme with your child at home too.

The nursery rhyme for the upcoming week is ...
