Time 2 Chat:

Following the recent holiday many children will have started this week their new vehicles for Summer 2. Please encourage your child to talk to you about their vehicle.

What is its title?

What do they know about the vehicle/topic already?

Can they recall what vehicle work they have done this week?

What would they like to learn?

What are they looking forward to doing?

What is the end outcome?

What do they like most about their vehicle work?

Have they learnt any new vocabulary connected to their vehicle work?

Maybe you could share any facts that you already know about their vehicle and maybe help your child learn a little bit more using either the internet, the library or any books you may have at home.

Happy talking 😊

Please see the below information about Electrical Scooters (e-scooters)

Electrical scooters (also known as e-scooters) come under the category of "powered transporters"; this covers a range of personal transport devices which are powered by a motor. E-scooters are classed as motor vehicles under the Road Traffic Act 1988. Which means the rules that apply to motor vehicles, also apply to e-scooters including the need to have a licence, insurance and tax. It's not currently possible to get insurance for privately owned e-scooters, which means it's illegal to use them on the road or in public spaces. If you're using a private e-scooter you risk the vehicle being seized under S.165 Road Traffic Act 1988 for no insurance. If you cause serious harm to another person whilst riding an e-scooter the incident will be investigated in the same way it would if you were riding a motorcycle or driving a car.

LEGAL USE OF AN E-SCOOTER

It's legal to use an e-scooter on private land with the permission of the land-owner.

Where a trial rental scheme is running, it's legal to use a rental e-scooter on a public road or cycle lane, provided you have the correct licence and follow road traffic regulations.

PENALTIES AND OFFENCES

If you don't have a licence, or the correct licence, or are riding without insurance you could face a Fixed Penalty notice:

- o With a £300 fine and six penalty points on your licence for having no insurance
- o Up to £100 fine and three to six penalty points for riding without the correct licence

*You could also be committing an offence if you're caught:

- Riding on a pavement; Fixed Penalty Notice and possible £50 fine
- Using a mobile phone or other handheld mobile device while riding; £200 and six penalty points
- Riding through red lights; Fixed Penalty Notice, £100 fine and possible penalty points
- Drink driving: the same as if you were driving a car, you could face court-imposed fines, a driving ban and possible imprisonment

If you're using an e-scooter in public in an antisocial manner, you can also risk the e-scooter being seized under section 59 of the Police Reform Act.

When riding an e-scooter, we would always recommend wearing safety protection such as a helmet and to keep to the speed limit.

Primary and Nursery School

EYFS

Nursery have loved making minibeast fossils this morning with clay, don't they look amazing?

KS1 (Years 1 and 2)

2EB had an AMAZING time at Pizza Express this week. 2RV are really looking forward to their trip in a few weeks' time.

KS2 (Years 3 and 4)

This week in maths **year 3** have been finishing off our fraction's knowledge, trying to understand how tenths link to a decimal. Knowing how things link together is so important when you are solving calculations. To know that 1 tenth is equal to 10cm as part of 1 meter and this is equal to 0.1 was mind-blowing in one of the challenges.

Year 4 practised reading aloud today and performed our information about electricity. Later in the week, we investigated using circuits and how to make these work.

KS2 (Years 5 and 6)

This week, **Year 6** have been so lucky to have a fantastic visit from the amazing team at Severn Trent. They brought their Water Tour education van with various interesting activities e.g. sorting flushable toilet items, detecting leaks, mending pipes and being a water pollution detective. The children learnt so much about the water processes as well as having fun.

We are currently reviewing our School Website to ensure that it has all of the useful information that you need or might want to see. If you notice anything is missing or need any further information, please come into the school office for assistance.

Nursery Rhymes at Holgate

In EYFS and Key Stage 1, the children will be having a weekly nursery rhyme focus.

This will be practised in each class throughout the week as well as during assemblies.

Every Friday, this will be put on the newsletter in preparation for the upcoming week. This will give you chance to engage with the nursery rhyme with your child at home too.

The nursery rhyme for the upcoming week is ...
