**Squirrels**

Squirrels. The newest branch of the Scouts family tree. Where 4-6 year olds can join in too.

This is an age when minds are fizzing, when energy and curiosity levels are sky high, when little lives are full of wow and wonder. Set them climbing the tree. Who knows how far they'll reach?

Hucknall - we need you!

We have lots of young people ready for an adventure and to make memories - but we can't do this without the support in the form of leaders and adult help. Could this be you? Primary and Nursery School

## EYFS

**Nursery** have been working really hard on their minibeast project in forest schools. We used nature to make our own dragonflies, we looked for a stick to represent the long body and counted four leaves as wings. We even decorated the wings with glitter to make them shimmer.

## KS1 (Years 1 and 2)

**2RV** had a great time at Pizza Express this week. The best part had to be eating them, they were delicious!

## KS2 (Years 3 and 4)

**Year 3** have been working hard this week as newspaper reporters. The children have found it interesting discussing the key elements needed in order to be a reporter or an interviewer. We have talked about persuasive titles; how sub-headings categorize the content and how speech from interviewees help to give opinion. Watch out for the end outcomes.

## KS2 (Years 5 and 6)

This week, the children in **year 5** have performed a class assembly to their parents. They did it all around the subject of gender stereotypes looking back through history on moments when gender stereotypes were challenged, right up to the present day where things have definitely improved but there is still some way to go. The children did themselves proud and absolutely smashed it.

On Tuesday, **Year 6** had a lovely day out at Nottingham Trent University on the Clifton campus. It involved two trams and a fair bit of walking but the children were great. Once there, we were met by student outreach ambassadors, who answered many questions and showed us round the beautiful site. We enjoyed seeing the extensive library, medical training areas, massive sports facilities, technical engineering base, lecture rooms, student accommodation and much more. The children ( and staff) were certainly tired on their return.

## Nursery Rhymes at Holgate

In EYFS and Key Stage 1, the children will be having a weekly nursery rhyme focus.

This will be practised in each class throughout the week as well as during assemblies.

Every Friday, this will be put on the newsletter in preparation for the upcoming week. This will give you chance to engage with the nursery rhyme with your child at home too.

The nursery rhyme for the upcoming week is ...
