

Meet the TEACHER

A bit about me...

Hello F2WS

Welcome to our new starters and welcome to our school. This is my second year returning in F2 and seventh year in EYFS. I am really excited to meet you all and look forward to finding out all about you and getting to know our nursery children even better.

You will be excited to know that I love to play outside and like to run about. I am very silly and love to have a laugh and a giggle. I enjoy running and playing football and learning outside in our forest school area.

Next year I am looking forward to...

exploring our outside area that we have developed and exploring some of our new learning that we have planned.

The rest of our year group team are

Mrs Bacon
Miss Franks
Mrs Willows
Mrs Williams
