

Meet the TEACHER

A bit about me...

Hello 5IR and welcome to upper Key Stage Two. I'm Miss Roe and you are in my class next year. I'm incredibly excited to be back in Year 5 with you. This will be my seventh year at Holgate Primary, and I have taught every year group in KS2.

In class, I like to work really hard, have lots of laughs, listen to songs and make fantastic memories. I'm sure we'll have an amazing year!

When I'm not at school, I'm busy having fun with my family and crazy Beagle (Benji) exploring the great outdoors, travelling the world, visiting my favourite beach in Northumberland or trying to cook without burning my house down!

Next year I am looking forward to...

- Teaching about WW2 and Ancient Greece as I adore anything History related
- Exploring exciting vehicles - they're awesome!
- The chance for you to go on residential
- Watching you grow and develop

The rest of our year group team are...

Miss Kennedy
and Mrs
Kennedy
