

Meet the TEACHER

A bit about me...

Hello 6AW and welcome to your final year at Primary School. I have taught year 6 for a long time now and it is definitely my favourite year group to teach. I had a gap last year as I have been on maternity leave at home looking after my little girl, Maisie.

In class, I like to work hard, have lots of laughs and make fantastic memories. I'm sure we'll have an amazing year. It's a very exciting time to be the eldest pupils in the school and I know you'll all rise to the challenge of this ☺

When I'm not at school, I'm busy being a mummy to my 10 month old little girl. We like to go out on walks to feed the ducks and she also loves going swimming ☺

Next year I am looking forward to...

- Exploring our brand new exciting vehicles - they're awesome! Our first one has a **VERY** exciting school trip to go with it ☺
- Watching you continue to grow and develop.
- Helping you all with whatever you need to achieve your best ☺

The rest of our year group team are...

Mr Rathe, Mrs Smart, Mrs Smith, Miss Billingham and Mrs Morgan
