Dear Parent/Carer,

5IR Swimming Sessions

This letter is to inform you that your child will be starting school swimming lessons on **Wednesday 13th September 2023**.

- All children must wear appropriate swim wear for example: a one-piece swimming suit, swimming trunks (not baggy shorts) or a two-piece swim set.

- All pupils will need to bring a towel.
- If your child suffers from asthma they must take their inhaler and have it available on the pool side.
- Long hair must be tied back or secured under a swimming hat.
- Jewellery must be removed before swimming sessions, and it would be helpful if your child did not wear jewellery on a swimming day.
- The children will need to bring a bag to put their outer clothes in when they arrive at the pool side.

If you have any queries regarding swimming sessions please contact your child's class teacher as soon as possible.

If you wish for your child to wear goggles during these sessions, please complete the permission form on Parentmail as any child without permission will be unable to wear goggles due to health and safety regulations at the swimming pool.

If you can assist by being a swimming helper, please email Miss I Roe at 5IR@holgateprimary.org

Yours sincerely

Mr Smith
Sports Coordinator
