

Everything is art

when you do it with all your heart

SHARE YOUR STORY

We often hear that many domestic abuse survivors often feel unheard. Expressing yourself through art is a fantastic way to tell your story 'when words are not enough'.

JOIN IN

We are offering individuals that have been affected by domestic abuse the opportunity to participate in our forthcoming art exhibition. Choosing to submit artwork will allow you to offer inspiration and encouragement to others.

REGISTER YOUR INTEREST

If you have been affected by domestic abuse and you are interested in submitting your artwork, please find out more and register your interest here:
