

FANTASTIC OPPORTUNITY FOR OUR YEAR 5 PUPILS

Dear Parents/Carers,

For the last 2 years, year 5 children at our school have had the opportunity to enjoy a fabulous extended visit in and around the Bamburgh area of Northumberland. The children that took part in the visits had a wonderful time.

Once again, we will be able to offer places to our children in year 5 to take part in the visit in May 2024.

The proposed itinerary will be as follows:

Monday 20th May - Travel to the Sunningdale Hotel, a visit to Beamish on the way, evening activities on the green

Tuesday 21st May - Boat trip to the Farne Islands, crazy golf and the afternoon on the beach, evening activities on the green

Wednesday 22nd May - Visit to Cragside House and Gardens, evening activities

Thursday 23rd May - Travel home with a visit to the fascinating Life Museum in Newcastle on the way.

The final cost of the visit has not yet been confirmed but is likely to be between £270 and £280 per child. This includes hotel accommodation, with all meals provided during our stay, coach travel to all the places we visit and entrance fees to all attractions. We are letting you know about this early so that the cost can be spread out and paid in instalments via ParentMail over several months - details will follow.

We realise many of you may be interested but will have lots of questions regarding the trip so we are holding an information session on **Monday 16th October in the main hall at 3.15pm** to share details of the trip and answer your questions without you having to make any commitment on the night.

If you would like to find out more, please either complete the online form or return the slip to the school office as soon as possible.

Yours sincerely,

Nicola Davies

Executive Headteacher

Name of child _____ in class _____

I will be attending the Bamburgh 2024 Parents Information meeting on Monday 16th October 2023

☐

I am unable to attend the meeting but would like further information
