Primary and Nursery School

EYFS

In maths this week **F1** have been talking about length - longer and shorter. We have measured ourselves with string and built towers to see who and what is taller, longer or shorter. "mine is taller than yours" "Mrs Pearson is taller than Harrison". We all showed good understanding and even did some measuring in forest school too.

The children in **F2** have enjoyed working on their vehicle this week - belonging. They have been creating drawings to show the different clubs/groups they belong to. We have a range of talents from ice skaters, footballers, swimmers to squirrels/rainbows and more!

KS1 (Years 1 and 2)

In PE this week, **Year 2's** danced in groups to a song from Moana. They helped each other to choreograph the moves and performed in front of the class.

KS2 (Years 3 and 4)

This week in **Year 3** we have been using our times table knowledge to support our division work in maths. We have been sharing into equal groups of 2's, 5's and 10's. As you can imagine we ALL know our 10 times table – PHEW!! But we have got in a bit of a muddle with our fives. Here is the Times Table Rock Stars home page that all pupils have a log in for to give your child a bit more practice.

KS2 (Years 5 and 6)

Earlier this week, **Year 6** were wowed (and initially extremely surprised at first when he burst through the door) by Tom from Blue Kazoo who dressed as a Viking as part of Year 6's Vehicle this year. He taught them lots about weaponry, battles and other ways of life. We all loved the experience, and it certainly added more enjoyment and lots of knowledge to our learning!
