Thursday 1<sup>st</sup> February 2024

Dear Parents/Carers,

To support our Earth and Space Vehicle, Year 5 will be visiting Leicester Space Centre on **3<sup>rd</sup> July 2024**.

We will be leaving school at 8.30am and will return at 4.00pm. However, should we be any later then you will be notified. Children will need to wear their school uniform as well as bring a coat or sunhat depending on the weather. All children will need a packed lunch and a drink (not fizzy) in re-fillable bottle in a suitable bag. If your child receives Free School Meals, a lunch will be provided for them by school if requested.

Children will need to be in school by 8.15am for us to be ready to leave on time.

In order for the visit to take place, we require a voluntary contribution of **£27 per child**. This price includes the following:

- Return coach journey to Leicester Space Centre
- Entrance to Leicester Space Centre
- A Science workshop and live demonstration

School does not make a profit and all parental contributions will be used to pay for the trip.

**If insufficient contributions are received, then the visit will not be able to take place and we will have to cancel.**

To support parents and carers with payments, a payment plan is also available on Parentmail should you wish to use this facility.

Please complete the permission form on ParentMail and make any voluntary contributions by **Friday 17<sup>th</sup> May**.

We would also like to ask for some parent volunteers in order for the trip to go ahead. If you are able to help, please let your child's class teacher know as soon as possible.

If you have any queries, please do not hesitate to contact us.

Best wishes

Miss Roe

Education Visits Co-ordinator & Curriculum Lead
