

FANTASTIC OPPORTUNITY FOR OUR 2024/2025 YEAR 4 PUPILS (current Year 3s)

Dear Parents/Carers,

Following a very successful residential last week, we are delighted to announce that next academic year we have secured a booking for those children in Year 4 to have a one-night slumber residential experience at Gulliver's Valley, Rotherham in **April 2025**.

The proposed itinerary will be as follows:

Thursday 24th April – Leave school at 9.30am and travel to Gulliver's Valley followed by activities on site and a slumber sleepover on site.

Friday 25th April – Activities on site at Gulliver's until 3.30pm. Return to school for 4.30pm.

The final cost of the visit has not yet been confirmed as this is dependent on numbers but will be in the region of £110. This includes accommodation, all activities on site including entrance to a section of the theme park opened especially for us, and activities chosen by our children including options for laser tag, climbing wall, environmental art and a campfire, with all meals provided during our stay and bus travel to the venue. This will need to be paid via ParentMail by installments, details will follow.

We realise many of you may be interested and will hold an information session in July but wanted to set up an early sign-up list for those families wanting to secure their child's place on this visit. There will be a £25 deposit for this visit. This can be refunded in the event that you no longer want the place, if we are able to find another child to fulfill the space. There will then be a payment plan set up for the remaining £85 with payments from October 24 to March 25.

Any places remaining in October will be offered to the current Y2 children who will be Year 3s in 2024/25.

If you have any questions, please contact the school office.

Yours sincerely,

Sam Sheridan
Head of School
