EYFS

Thank you so much to all our male role models who came to help **nursery** celebrate Father's Day, it was lovely to see so many of you here. We hope you all had a great time, we know we did!

This week in **F2** we have started our new vehicle life's a beach. The children have been sharing what they know about the seaside and what they would do at the seaside. As part of our vehicle the children have been making boats and then testing them to see if they float. The children have also been making ice creams in our new role play area.

KS1 (Years 1 and 2)

Year 2 have worked hard in English to plan their retelling of the story the very smart pea and the princess to be using a story map.

KS2 (Years 3 and 4)

Year 3 have started their research about France and Paris as part of our English unit 'A Walk around Paris'. It is a very special text because it includes a story (fiction) alongside facts (non-fiction). Here is a link to the story to share with your child. Can they remember any landmarks?

KS2 (Years 5 and 6)

Over the last week, **Year 5** have been lucky enough to visit our local residential home and then have opportunities to continue conversations and be able to connect with the residents on Wednesday at the park. We also were fortunate to have started our 'At One With Nature' sessions which have already been useful in identifying strategies that we can all put in place when we have negative thoughts and not in the optimal 'zone' for learning. The mornings have been really positive and we are looking forward to continuing these further into the Summer term. We have also enjoyed our new unit of music tuition recapping rhythm, pitch and beat and started looking at playing our new instruments - the toot!

The remaining **Year 6's** have been having a great time creating and building their own Activity Park from recycled items. Their creativity has been amazing. Mrs Smith and Mrs Smart have been so impressed.
