Helping Your Child with Primary Maths

Holgate Primary and Nursery School
Starts Wednesday 11th September

9am - 11am

This 5 week course is perfect for anyone who has ever thought
"What can I do to help support my child with maths?"

This course is ideal for those who have a child in years 3 to 6 – Key Stage 2.

By the end of this adult only course, you'll have a good understanding of all the different areas of primary school maths and how they are used to solve the kind of problems that appear on SATS papers.

We'll also give you lots of hints and tips for making maths practical fun.

To enrol scan the QR code, or complete and return an enrolment form available from Reception.

For more information, please contact Emma emma.sercombe@inspireculture.org.uk

FREE course for people aged 19 years or above who don't have a level 2 qualification in maths (GCSE C/4 or above) or are not confident using maths at this level.

Please see flyer for details about a FREE course which is designed to help you understand primary school maths so that you can support your child's learning.

The course is being held here at Holgate Primary School in September. You will be able to learn about maths whilst enjoying some cake and refreshments. We hope to see you there!

SUN SAFETY TIPS

Reapply sunscreen every two hours to stay protected!

Sunglasses, t-shirts and a hat are a must.

During midday hours of 11am-3pm, stay in the shade.

Please see below for a list of after-school clubs on offer for September. You can sign up for these now, should you wish, by completing the relevant forms on ParentMail.

Term Dates:

Please see below for the Nottinghamshire County Council School holiday dates for 2022/23.

Primary and Nursery School

EYFS

Nursery have had a great time during our visit from Lion Learners, we made a list of which animals we thought we might see, we got a couple correct. Everyone was really brave, even the grown-ups!

What a fantastic end to the school year for **F2**, and the end of their time in Early Years! Our day at the beach was full of sun, sand, sandcastles and ice cream, along with making new memories, that they will remember forever. A massive thanks goes to the parent volunteers that joined us and helped to make the day a special one.

KS1 (Years 1 and 2)

Y2 have been learning how to tell the time to 5-minute intervals.

KS2 (Years 3 and 4)

In PurpleMash this week, **Y3** have combined our instruction planning with publishing in computing. There are lots of skills required when publishing: Taking photos, uploading images and information, adding text and captions, checking the sequence is correct. We now understand a lot more about the many jobs there are in IT, being a writer, editing and publishing.

A massive thank you to all the parents who came to see the **Y3/Y4** assemblies about the protected characteristic of disability. We loved sharing our knowledge. The teaching team are **VERY PROUD** of how all the children contributed to the assemblies!

KS2 (Years 5 and 6)

What an eventful, fun, packed week for our final full week in **Y5**, and this isn't even all of it. After our water polo workshop sessions we were able to have a proper game of water polo during our final swimming lesson in 5KK and have also had the opportunity this week to try out skateboarding, rock climbing and have our talented Rock Steady Galaxy perform for us in our hall. We are currently looking for any more individuals who would like to participate in our of groups for music tuition - further details will be coming soon!

Here is the new **Y6** end outcome display. A lovely collection of facts, non -chronological reports, questions and answers on the weather, photos of children creating their own dams to stop coastal erosion and beautiful paintings using water colours.

Our end of year message

Another school year will shortly finish. This year has been filled with so many wonderful experiences that we have thoroughly enjoyed including clubs, discos, fairs, trips, sports days and amazing new features such as our Sports Enrichment Week, Careers Week and Community Action Week. It has been wonderful to see the children continue to learn and flourish and as a staff team we feel honoured to have had the privilege of being able to share in this journey.

For our wonderful year 6 children, their primary school journey is almost complete, and we are so excited to celebrate their final 3 days with them next week during their Prom and leavers assembly. We would like to wish them all a fond farewell and smooth transition into secondary school. We will so miss this group of children, especially Mrs Tarpey who has had some amazing admin helpers and my wonderful assembly stars – you have been amazing!!!! We hope that you cherish your memories of primary school, and we know for sure that you will go on to make yourselves proud. Good luck for the future - remember Holgate is always here for you 😊

Finally, a huge thank you to all our parents, carers, and families for your continued support this year. We could not do what we do without this invaluable support. Have a fantastic summer break. Have fun, make memories but most importantly stay safe and healthy. We look forward to seeing you all back on Tuesday 3rd September.
