HERE'S THE NEWS

Nursery had lots of fun practising their balance and coordination skills in PE this morning. We used a special ball which we had to balance on our heads, hand, and feet. We also practised our throwing and catching skills with our friends.

F2 did some amazing construction and built a ball run in the outside area this week. They did a fantastic job and had so much fun.

HERE'S THE NEWS

Years 3 and 4

As Y3 continue our vehicle – Battle for the mines, we have been reading about child slavery and the roles children had down the mines.

Here is a link to a clip about children working down the mines to talk about with your child.

This week Y5 have been going from one extreme to the other! From successfully participating in a whole day survival workshop to working hard in the classroom on their assessments. Everyone should be incredibly proud! Well done!

Y6 have been looking at fractions of shapes and amounts this week. Fractions of shapes proved to be quite simple but we had to use our knowledge of dividing by the denominator and multiplying by the numerator to find a fraction of a number.

Time 2 Chat

For this weeks time to talk we would like you to talk to your child about the vehicle they have been completing this half term. You could ask them questions such as:

- Can they tell you what the vehicles title is?
- Do they know what their end outcome is?
- What have they learnt so far?
- Are there any key words that they have learnt?
- What have they enjoyed learning about?
- Is there anything further they would like to find out about?
- What was their favourite
