

Holgate Community Action 2024

Care for the
community

Taking
Responsibility

Care for the
environment

Year 1

As a part of their Spring Term Curriculum Vehicle, the children in Year 1 created planters with vibrant plants that could be seen and enjoyed by all residents at our local care homes. These were delivered by Mrs O'Kane to each of the care homes.

Our Y6 children one of these to Jubilee Court on **Thursday 5th June.**

EYFS

The children in F2 have baked cakes for the residents at Jubilee Court. They have then delivered these to the care home on **Tuesday 4th June** and completed a litter pick in the community on route back.

The children in Nursery created some positive postcards for the residents of Jubilee Court. These were delivered the Care Home by a small group on **Friday 7th June.**

Year 2

During the first week of Summer Term 2, the children in Year 2 have learnt an uplifting song during their music lessons and have recorded this and sent to the Care Home for sharing as a part of Music Monday on **Monday 10th June.**

environment

Year 3/4

The children in Y3 and Y4 welcomed members of Jubilee Court into school at Holgate on **Wednesday 5th June**. During the morning the children hosted tea/coffee and cakes/biscuits and engaged in a range of games, colouring and story sharing with visiting residents. The children also collected 2 bin liners of rubbish during a litter pick of the school site.

Year 5

On Monday 10th June our Y5 children decorated cakes for the residents of Jubilee Court. The children then delivered these to the Care Home **on Tuesday 11th June** and left the tasty treats for residents to enjoy. The children in Y5 also walked and met members of Jubilee Court at Titchfield Park **on Wednesday 12th June** for a picnic.

Year 6

On **Thursday 13th June** some of our Y6 children worked with Hucknall Wombals to do a litter pick in the community. The collected litter on route to Jubilee Court Care Home and delivered some bird feeders made by the children in Nursery as a part of their Forest Schools sessions.

environment

Choir and Glee Club

The children in our school choir and glee club have been working hard learning songs to perform at the Albert Hall. They visited Jubilee Court Care Home on **Monday 3rd June** to sing to the residents. On route back to school the children collected rubbish from the community.

Trust Central Team

We were very lucky to have our bid for help, submitted to the Trust, be successful. This meant that on Wednesday 5th June 10 members of Transform's Central Team came to school to improve an area of our site. The team painted a boring shed compound into a beautiful pattern of colours. This has created a beautiful vibrant walkway for the children and families and is a wonderful entrance to our Forest Schools Area. Our Children's Parliament gave the job a definite seal of approval!

PenPal Club

On Friday 14th June our PenPal Club children walked to visit the residents of Jubilee Court. During their time at the care home, the children played games, chatted to the residents and shared lots of positivity.
