

Holgate Community Action 2025

Care for the
community

Taking
Responsibility

Care for the
environment

Year 1

As a part of their Spring Term Curriculum Vehicle, the children in Year 1 created planters with vibrant plants that could be seen and enjoyed by all residents at our local care homes and a local GP surgery. These were delivered by year groups to the care homes – Buddleia House – Y5 and Jubilee Court Y3 and Whyburn Medical Practice collected theirs on Thursday 19th June.

EYFS

The children in F2 and Nursery have organised a used toy donation across school and have kindly collated and delivered these to St Mary's Church for use in their community stay and play sessions.

6AR

During the first week of Summer Term 2, the children in 6AR visited St Marys Church to be of service to our community. The children were asked to dust the pews in the church and to litter pick in the grounds to support in ensuring the church was clean and ready for its next service.

3JB

The children in 3JB visited residents of Jubilee Court Care home and engaged in a morning of community care. They read to residents, played games and enjoyed being kind and caring companions for the morning.

Taking Responsibility

3NK

Our wonderful children in 3NK have been thinking about care for our environment as a part of their community action. They have designed posters for keeping Hucknall clean and free of waste. The children have shared these with community shops for display in windows.

5KK

The children in 5KK visited residents of Buddleia House home and engaged in a afternoon of community care. They engaged in crafts, played outdoor games and enjoyed being kind and caring companions for the morning.

environment

5IR

Whyburn Medical Practice asked for the support of our Y5 children in creating a new Healthy Living display for their Surgery. The children created some beautiful posters and these were delivered for display on Thursday 19th June.

4ED

The children in 4ED have collated and decorated envelopes which had seed paper enclosed. They delivered these to houses on Annie's Close to try to develop the biodiversity of our local area. The hope is that these will be planted and attract pollinators as all the seeds are bee-friendly.

6AW

During Summer Term 2, the children in 6AW ...

environment

4NW

Our wonderful children in 4NW have thought carefully about community and decided that their school was an important community to them. The children in 4NW did some community action to say thank you to the adults in school who help them each day and worked together to bake goodies for all adults at Holgate. The cookies were delicious and a welcome treat for all adults 😊

Year 2

The lovely caring Y2 children thought about community and decided that they wanted to share something kind within their school community. The children created positive affirmation messages for our Y6 children who are preparing to leave Holgate and move on to big school in September.

3JB

On Wednesday 18th June, the children in 3JB partnered up with Aspens (our catering provider) and hosted a fish and chips dinner with a delicious Victoria sponge pudding for a group of residents from Jubilee Court. The children played games, read books and sang songs to the residents with one commenting "it was the best day of his life".
