29th April 2019

Dear Parent/Carer

As part of the work we will be doing within school to raise pupils' aspirations and consider the choices they will have for careers in the future, we will be having a celebratory week in school called 'Big Me' week on week commencing 17th June 2019. This will be an opportunity for children to learn about different career and education choices as they go through life and also to consider the opportunities available to them.

As part of this, we are hoping that each class will be able to meet a professional from a different career path for them to use a 'case study' to find out about. The aim will be for the children to find out and research about that specific career choice and what qualifications and skills are involved. We would like the children to have an opportunity to meet someone doing the role to ask them any questions about what the job involves. We are therefore looking for volunteers from within the community who are willing to support the school with this and are available to come into school for an hour during the week to meet a group of children and tell them about their career/answer the pupils' careers.

If you feel you are available to support school with this, or know someone else who may be willing to support, could you please return the attached reply slip into school so we can contact you to organize this further. If you would rather discuss this further, please feel free to contact Miss Townsend in school.

Many thanks for your support with this.

Mrs Severn and Miss Townsend

Big Me Week

Name of volunteer: _____

Career I can inform pupils of: _____

Contact details: _____

Any specific dates/requirements for us to be informed of: _____
