

# Where could the ticket take you? - Year 2

## Sticky Knowledge

Tickets can give you access to a place or venue.

Tickets contain vital information about where you are going, when, seating and cost.

A traditional circus is a trained company of acrobats, animals and clowns that work in unison.

The word circus comes from the Latin word meaning circle or ring.

The circus is over 2000 years old.

Circuses usually travel to different parts of the country or to different countries.

The circle area is where the artists perform and this is called the ring.

The person in charge of the show is known as the ringmaster.
