

Welcome to...3NW and 3JE

Meet the Year 3 Team

3JE Class Teacher - Mrs Joanne Eyre

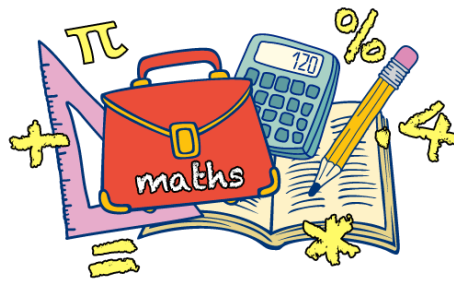

3NW Class Teacher - Mrs Natalie Wilkinson

Teaching Assistants - Miss Kelly Willett & Mrs Sarah Hicklin

Here's something you didn't know about the adults in Y3!

Y3 Adults to share their secret self!

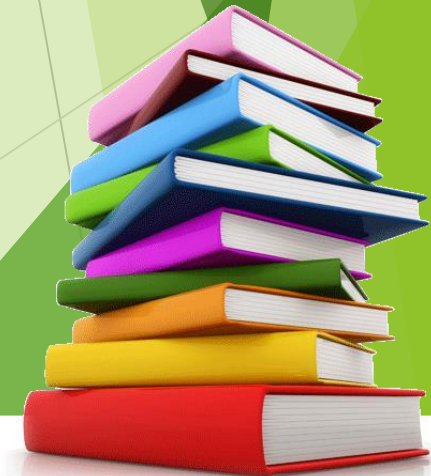

A Day in Y3

Every day in Year 3 the children have lots of different teaching and learning opportunities.

We do daily lessons in:

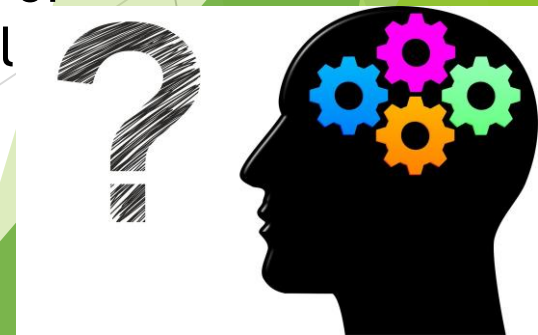

- Reading - these ensure the children read a range of different texts and we teach the children how to spot clues within the text
- Maths - we teach in blocks so children can apply their learning from within the unit
- Spelling - we follow a scheme to help us learning spelling rules and age appropriate spellings.
- Vehicle-This is brand new and gives the children lots of opportunities to learn in a cross curricular way. This half term our theme is The Magician's Workshop.
- Take 5 also takes place most afternoons and is an d is an opportunity for children to relax and focus on their own well-being during the day.

Year 3 support with learning

We offer children lots of additional support during their time in year 3:

- ▶ Learning groups are run by Mrs Hicklin and Miss Willett and are an opportunity for children to access lessons in smaller groups of usually 8 children.
- ▶ Post-teach sessions happen if a child needs a little more time to continue and consolidate the learning from during the lesson usually in the afternoon or during assembly time.
- ▶ Pre-teach sessions happen before a main lesson and are a chance to remind children of prior learning that they need for the next lesson.
- ▶ Intervention groups happen to support children of all abilities to continue their learning at a level appropriate to them. These take place throughout the day but are specifically planned so children do not miss out on other parts of the curriculum they enjoy. These are delivered by Mrs Hicklin and Miss Will

Year 3 Behaviour / Expectations

Behaviour expectations are very high in Year 3 and we follow the school behaviour policy using a sun, rainbow, cloud and thunder cloud. Children start on the sun each day.

Good behaviour - children can be moved to the rainbow for good behaviour or earn super stickers which lead to awards.

Negative behaviour - children are moved to the cloud for the first warning and they are encouraged to think about their behaviour. If this behaviour continues, children are moved to the thunder cloud.

Punishment slips are also used for poor behaviour.

Good behaviour enables children to reach their full potential.

Weekly Events in Year 3

On a **Monday**: 3NW is taught by Ms Roe as Mrs Wilkinson does not work this day. We have a normal learning day in Y3 and it is also our computing session.

On a **Tuesday**: the children in 3NW are swimming for the next 6 weeks and then 3JE will have their turn.

On a **Wednesday**: the children in 3JE do indoor PE and will need their PE kits. Children need to have earrings removed before coming to school on this day.

On a **Thursday**: the children in 3NW do indoor PE and 3JE do outdoor PE. They will need their PE kits. Children need to have earrings removed before coming to school on this day. Homework is also due to be handed in on this day.

On a **Friday**: We do the weekly times table and spelling tests. We hand out the spellings to learn for the following week and English and Maths homework.

How can you support your child?

- ▶ Listen to them read at least 3 times a week.
- ▶ Help them learn their weekly spellings
- ▶ By the end of Year 3, it is an expectation that children know their 2, 5, 10, 3 and 4 times tables.
- ▶ Allow your child internet access to complete their homework on Purple Mash or Mathletics.

If you have any questions or would like any additional information about your child's class, learning or teachers, please ask any member of staff as you explore the Year 3 learning environment.

Thank you for coming to meet the Y3 team 😊
