Autumn 1 Week 5

## YEAR 2 CIRCUS SKILLS

As part of their vehicle called Tickets 2ST & 2JB had a great time practising circus skills on Monday. Using the stilts proved to be very tricky but the children never gave up and astounded us with their "try and try again" attitude. Some amazing tricks were done with the spinning plates and fantastic patterns created with the ribbons. There was great competition up and down the hall on the pedals to see who could go the furthest without falling off!! The tight rope proved to be very popular with some children even walking backwards.

Both classes are now very excited to practise their skills ready to perform to their parents in 2 weeks. They are hoping to teach the parents some of the skills they have learnt.
