

F2 – We are looking forward to seeing you!

We have been busy getting school ready for your return.

School will look a bit different and there will be some new rules to follow. But don't worry, these are just to help everyone stay safe. We are really looking forward to catching up with you all and completing some exciting activities!

When you get to school, you need to follow the yellow arrows showing the one way system. These will take you past the allotment, behind school and past the KS1 classrooms and back around to F2.

You will be entering through Mrs Vowles' gate.

We have painted some footprints on the floor to help you spread out when lining up to come in.

F2 children will all be based in the F2 classroom.

For your taught sessions, you now have your own space. Your space will have your photo on it and no one else will use it.

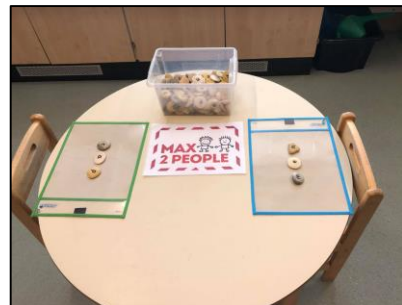

You will also have a box of resources for just you to use. This has lots of pencils, pens, craft activities, books and workbooks in it.

There are lots of reminders in the room and around the school site about washing your hands, trying to stay a safe distance and using tissues.

We still have lots of lovely and exciting areas around the classroom for you to play with. We have changed the rules a little bit to have less children playing in these areas at one time and moved some resources out that are not as easy for us to keep clean.

It's non-uniform.

But, we're going to try to spend lots of time in our outdoor area and Forest School, so make sure you come in clothes appropriate for this.

Top reminders:

- **F2 School times are 9:45-2:30** (unless you have been allocated a 'key worker place' in which case drop off is 9:00 and collection is 3:00) – you need to not get to school earlier than 9:40.
- Non-uniform, but wear clothes that are suitable for going to Forest School and outside playing.
- Don't bring anything else with you (apart from water bottles)
- Follow the one-way system coming into and leaving the school site

Lastly, but most importantly: talk to us if you have any worries 😊

See you next week,
Miss Arnold and the F2 Team
