As it is only part of a week we would be in school, we have then included some family learning activities that you can choose from to complete across the week as you like.

<p>Family Activity 1 Rock Families - Go for a walk and collect 4 or 5 different sized rocks to make a family. Paint them and give them names. Now you can play with your rock families. Can you make up stories about your rock families?</p>	<p>Family Activity 2 Windy Day - Challenge everybody in your house to make their own kite to fly, using bin liners, straws and string. Whose kite will fly the highest?</p> <div style="text-align: center;">  </div>	<p>Family Activity 3 Trust Walk - Put some small items in your garden to collect. Blindfold a member of your family and get them to collect the items by giving them verbal instructions eg; move forward 5 steps, turn right, stop, take 2 large steps, bend down, pick up the object. You are not allowed to touch the person!</p>
<p>Family Activity 4 Learn to draw cartoon characters by watching Pete McKee's cartoon workshop for beginners. https://www.youtube.com/watch?v=N_25Cxc0RcE&list=PLSRtXoaeSeYGXzGb_yasSJ0HcIqf2S5IB&index=2</p>		<p>Family Activity 5 How many letters of the alphabet can you make using lego?</p> <div style="text-align: center;">  </div>
<p>Family Activity 6 What's the tallest tower you can build using spaghetti and small marshmallows? Can you also make some 3D shapes?</p> <div style="display: flex; justify-content: space-around;">   </div>	<p>Family Activity 7 Watch these clips and see if you can create some Origami animals.
