Summer 2 Week 6

Week beginning – 12/07/2021

Important messages for this week:

- Please look out for your child's **end of year report** coming out early next week ☺
- At the end of next week most **children's books** will be coming home for you to keep. As always, we will need to keep a sample of books from each class to keep on site in school should any external visitors (such as Ofsted) wish to see them. If your child's work is chosen as a sample, you will receive a letter with more information included. Those book samples that were kept last year will be coming home before then end of term. ☺

FAMILY LEARNING

WITH LIFE EDUCATION CENTRE NOTTINGHAMSHIRE

CYBER HEROES

Setting parental controls and how to report bad things on the internet.

Build children's confidence, both online and in real life.

Help your children make wise choices on the internet.

Protect you and your children from online bullying, and other risks.

Activities to try at home.

HAVE FUN!

This week you may have seen a flyer come out via parentmail for a Parents' Cyber Heroes Workshop even taking place in the Autumn Term. This will be a fantastic opportunity for parents / carers / grandparents to learn from some experts how to keep their child / grandchild safe online. Please log in to parentmail and complete the form to sign up for this online training for free.

Look out for:

- Free school meal vouchers (benefit based) Supermarket vouchers for Summer Holidays and Uniform vouchers more information to follow
- Slushies available each day keep an eye on the app ☺

EYFS

Last week our children made some delicious sandwiches using the cress that we grew in **Nursery**. The children made cheese sandwiches and put some cress on top. It was the first time that some children had tried cress before. The children practised spreading the cheese on the bread and cutting the cress. We still have lots of food growing and we are looking forward to eating some carrots and tomatoes from our outside garden.

KS1 (Years 1 and 2)

Year 1 completed a science investigation to find out what material would be a good window. We then got to make our houses and use the best material for the window. The trickiest bit was using our scissors to try and cut a hole in the card!

1HO have been learning about position and direction this week. They had a go at directing their friends from one cone to another by using the instructions forwards, backwards left and right. They also used their hands to know which was our left hand and right hand. They finished with a challenge of directing a friend through a cone maze without touching the cones.

KS2 (Years 3 and 4)

Year 3 have enjoyed making a start to their Block Painting Project this week. We've created our food themed design and started to add string to cardboard to create the block. Next week, we're going to see our creations come to life as add colour and detail.

In maths, we have been learning all about money and practising our 'spending skills'. Adding and subtracting money as well as calculating change when purchasing items.

In English, we are working really hard on creating a piece of work to help children transition into their new classes for next year.

Year 4 have been getting arty this week creating Andy Warhol style prints for their Healthy athlete vehicle. They designed some images relating to Olympic sports, then made their own print by carving the image into polystyrene and printed a repeat pattern using bright and vibrant paints.

KS2 (Years 5 and 6)

Year 5 love football! The European Championships have been especially exciting, generating lots of heated conversations. On Monday, the children and staff didn't focus on the result of the final. They used the opportunity to talk about what the England team have achieved on and off the pitch, how young some of them are (what were you doing at 19?) and the courage needed to stand up in front of millions of people watching around the world. Haven't we all made a mistake at work? The children have heroes to look up to and be proud of. The classes focused on resilience, composure and determination to dream big. At Holgate Primary we instill an acceptance of everybody, without prejudice or discrimination. It's been a pleasure to see how the children have been inspired. Bring on the World Cup!
