Report of the Trustees and Accounts for the year ended 31st March 2020

The trustees of this charity are comprised of the two most senior members of school staff. The activities and objectives of the organisation are to provide a rounded education, and to raise funds for the enrichment of pupils attending the school.

The school fund accounts for the relevant period have been duly audited and no irregularities found. These accounts are available to be viewed on the school's website. All money raised has been used to the benefit of the pupils of Holgate Primary & Nursery School.

During the accounting year there have been some excellent fundraising activities such as afterschool clubs run by school staff, small change challenges, sale of performance photos and much more. The children have benefitted from many subsidised school visits, and the purchase of high value equipment such as the sound system for the school hall and sporting equipment.
