## Breakfast & Afterschool Club – Spaces Available

We are pleased to announce that we will have TB Sport providing Breakfast & After School clubs for Holgate Primary School! TB SPORT | have gained a reputation across the East Midlands for offering **quality, reliability and consistency**. We believe that everyone should be given the opportunity to access a high quality sports and activity provision delivered by specialist subject teacher and sports coaches. Our staff receive on going continued professional development and form positive working relationships within their settings. Staff are supported and encouraged to go the extra mile to work alongside you and transform your provision into outstanding. We have achieved this at a number of our partner schools across the years. Our sports clubs regularly sell out and we constantly receive positive feedback from our partner schools and parents of the children who attend them.

Spaces are limited and are available on a first come first served basis by using the link below

[tbsport.uk/holgate](https://tbsport.uk/holgate)

**Please be aware that this is for children in F2 to Year 6  
(Nursery cannot be accommodated at this time)**

**Feel Good Families** Here we are, officially in Autumn. Autumn is a season of change and the beginning of exciting times to spend with our families and friends.

"Social connectedness is great for emotional health," Hsueh says. Traditions that include others help strengthen social bonds, create shared memories, and provide a sense of continuity. In the days leading up to the event, they also give you something to look forward to — and Hsueh says the anticipation alone may help you get through a hard day.

What traditions do you have this time of year? What are you looking forward to already? Are you going to try something new?

### Upcoming Events:

### After school clubs

- Monday - Football, Dodgeball & Bead Club
- Wednesday - Running & Dough Club
- Thursday - Glee and Art/Crafts Club

## EYFS

**Nursery** This week as part of the vehicle the children have been finding out information about the jungle.

We have looked at some of the animals that live in the jungle and compared them to the animals that live on the farm.

The nursery children were able to sort some of the animals into groups where they lived and some even knew that they also lived in a zoo. It has been nice to help the children learn some new animal names that they have not seen before. Some children knew lots of animals and could share their ideas with their friends, which is amazing to see. We have been reading some stories around these animals and the children really loved listening to 'The Selfish Crocodile'.

## KS1 (Years 1 and 2)

It has been a busy week in year 1 and 2 and they haven't had time to send things to the newsletter! Lets hope they have lots of exciting things next time!

## KS2 (Years 3 and 4)

**Year 4** have had another brilliant week! Both classes had a superb day visiting Mansfield Museum in order to learn more about the Romans and how to curate a Museum. We all had a great time and learnt lots of new information that will support us with our vehicle work in school. We have also enjoyed starting our new unit of English work this week, based on the book 'Escape to Pompeii'. Getting to know and understand the characters in this text has been fun and exciting.

We have a very creative bunch of children in our year 4 dough club. Here are some of their wonderful creations during our 'bright dough, gem and flora' week

## KS2 (Years 5 and 6)

**Year 5** This week, 5IR found out that during WW2 certain food was rationed. We explored which food items were rationed and then we had a taste of WW2 food. We definitely did not like porridge made with water and salt and much preferred porridge made with milk and sugar! We had a great afternoon and we are loving our WW2 Vehicle!
