<https://www.eventbrite.co.uk/.../making-sense-of-autism...>

SEE FLYER for more details

Making Sense of Autism

- The importance of everyone involved with your child having the same understanding of them, their profile of strengths and the areas they want to develop
- Key ways to help build positive relationships between autistic people and non-autistic people
- An understanding of the sensory and communication differences autistic children may experience
- Insights and experiences from autistic people

This FREE online training is for Parents / Carers of children with autism in Nottinghamshire (no diagnosis necessary).

Where: online via Microsoft Teams

When: Monday 23rd May 10am-12pm or 4-6pm

The training will be given by individuals from Nottinghamshire County Council's *Communication & Interaction* Team.
