Sports Hero of the Week

Each week, we are looking to celebrate someone who works within sport. This could be someone famous or not. We will be looking at people from different backgrounds in different careers. We would love for you to talk to your child about our sports hero of the week. We hope that this may inspire some of your children and realise that with a bit of hard work and resilience, that they can achieve their dream and be like their heroes.

This week we would like to celebrate all of our children competing in the school races. The children have shown great perseverance practicing in their PE session trying out new sports. We would also like to give a shout out to all of the amazing parents that took part in the parents races. The children were proud of their grown ups.

Feel Good Family Factor

Finding time to read and widen our horizons as adults can be a juggling act. This fantastic app allows you to listen to non-fiction books read in short summaries, 15 - 20 mins. Add your interests and hobbies to your own library and the app will choose books for you. Listen whilst driving, cooking, walking or whenever. Sign up for a free trial then there is a subscription fee. Learning something new is a great way to boost confidence.

EYFS

F2 had a lovely last Forest School session on Thursday. Miss Franks lit a fire and we all sat around the fire circle and enjoyed smores. James said "They tasted delicious" and Darcie said "They are so yummy". We kept ourselves safe by following the rules – not walking or running across the fire circle, entering and exiting our seats from the back and one at a time and putting our hands over our eyes if it gets a bit smokey. We all had a fantastic time and were very excited to see a real fire made at school.

KS1 (Years 1 and 2)

Year 1 have had a fabulous sports day. The weather was beautiful and the children behaved brilliantly. A huge thank you to Mr Smith from the whole of Year 1 for making it such an exciting and memorable event!

KS2 (Years 3 and 4)

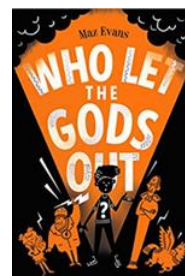

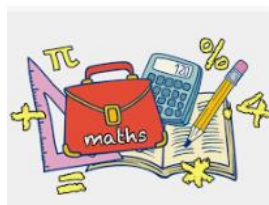

Maths in **Year 3** this week has been all about perimeter. This is a new concept for Year 3. But after some careful explanations, some guided practice and some practical tasks we think we have cracked it! Here is a BBC bitesize clip to share with your child to help with their knowledge and understanding.

Year 4 have had another busy week. We have continued our Animal Antics vehicle by exploring how to classify different land animals. We have completed a fantastic piece of writing also. In this, we wrote a persuasive argument to either argue that zoos are good or bad and gave reasons to support our opinions. The week ended with sports day and we all had a great time competing and joining in activities with our peers.

KS2 (Years 5 and 6)

This week in **Year 5**, we have done lots of exciting things. We have continued to read Who Let the Gods out and are working up to writing a character description. In Maths, we have been exploring statistics and interpreting data from a graph. We have loved our Talking Points Sessions and taking parts in Sports Day.
