Do not park on school keep clear markings

Our CCTV car is now out patrolling Nottinghamshire schools to help discourage dangerous and inconsiderate parking.

Motorists caught parking on restricted areas near schools or in bus stops will be issued with a Penalty Charge Notice (PCN) of £70.

Parking on school keep clear markings can seriously endanger road safety for children. Please only park in marked areas and help us keep our school children safe.

Notts Parking Partnership

Nottinghamshire County Council use CCTV cars to enforce parking outside of schools. They visit schools in Nottinghamshire and will record whilst passing, the details of any cars parked illegally. If vehicles are parked in contravention the registered keepers will receive a Penalty Charge Notice. These restrictions are in place to provide a safe area outside of the school where the children will gather or cross the road therefore, we ask for your help in keeping this area free of parked vehicles. The school can request enforcement from the car so, if you have any concerns regarding parking, please notify us and we will arrange for a visit.

EYFS

What a fantastic first full week at school the **F2** children have had! We are super proud of how well they have all settled into the classroom routines and life in full time school. They have all been busy exploring their new environment, ceasing every opportunity to try new things, and beginning to build relationships with each other and the Early Years team. We have introduced the children to daily Monster phonics and Maths sessions assessing their skills and teaching them new ones. Soon they will be coming home with a reading book, but for the next few weeks the Early Years team will be assessing them to see how best to support them moving forward. Another focus to support them in this vital transition into full time school, has been to show courage and the enjoyment you can have with positivity. We have done this with the help of an amazing story 'Rain before Rainbows' learning how to face things head on and try new things, without fear or hesitation. To help them understand this new concept we have been painting rainbows, using lots of bright colours to show everything is always bright and the sun always shines, no matter what!!!

KS1 (Years 1 and 2)

This week **year 1** started their vehicle called Magnificent me. We have looked at parts of the body, naming them and saying what we use them for. In 1HO we had great fun labelling Amelia however some of the labels kept falling off when she laughed. Some children drew and labelled people and their bodies.

KS2 (Years 3 and 4)

Year 3 have made a great start in Key Stage 2! Coming upstairs is always a little daunting BUT we are so pleased with their hard work and determination to stay on task and keep their writing SUPER neat. We have started our VEHICLE: Hunter – Gatherers and have already learnt lots of interesting facts about how the Stone Age people lived, what they ate and how they made tools. Here is a web link to remind the children what we have already learnt.

KS2 (Years 5 and 6)

This week the children in **year 5** started their new Vehicle on World War 2. They looked at the reasons why children were evacuated from London and what happened to them. They also looked at the different reasons for why World War 2 started. Mr Rathe kindly brought in some of his WW2 memorabilia and shared this with the children.

Nursery Rhymes at Holgate

In EYFS and Key Stage 1, the children will be having a weekly nursery rhyme focus.

This will be practised in each class throughout the week as well as during assemblies.

Every Friday, this will be put on the newsletter in preparation for the upcoming week. This will give you chance to engage with the nursery rhyme with your child at home too.

The nursery rhyme for the upcoming week is...
