## EYFS

This week in phonics **nursery** went on a listening walk, we walked quietly through school and then went outside. We heard lots of different sounds using our listening ears. We heard some of the teachers talking to the children in their classrooms, we heard our footsteps as we walked along. When we walked past the office we heard the phone ringing. Outside we could hear the birds singing and the wind in the trees. We could also hear cars and we even heard the siren on a police car. Can you hear different sounds at home?

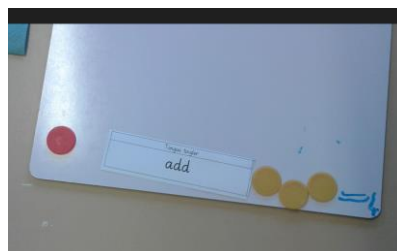

This week **F2** we have been learning about different types of houses and what kind we live in. We have looked at the different features of houses and even made our own!

## KS1 (Years 1 and 2)

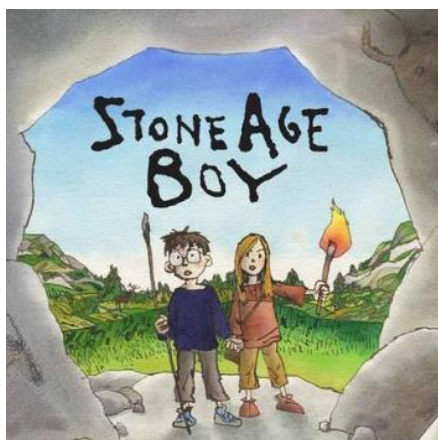

**1RW** have been blowing Miss Wragg's socks off with their maths work this week. They have been using coloured counters and different mathematical language to complete different additions.

## KS2 (Years 3 and 4)

**Year 3** have been busy writing their end outcome to The Stone Age Boy in English this week. We have had to think right back to Year 2 recalling our knowledge of capital letters, full stops and adjectives to improve the detail in our story. Our new Year 3 focus was similes and they have tried so hard: it was as cold as ice, as dark as midnight, I ran as fast as a cheetah and I snuggled up like a baby.

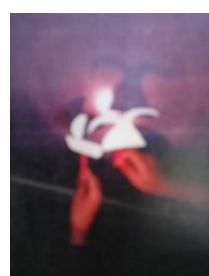

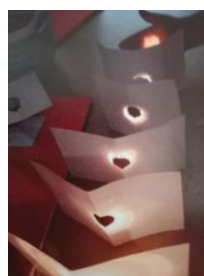

Here is a link to help you and your child explore similes more <https://www.youtube.com/watch?v=7wq9zhiuVky>

## KS2 (Years 5 and 6)

It's been another exciting week in **Year 5!** We have completed a wide range of different tasks and activities and this has included our end outcome writing about Rose Blanche. We wrote a first-person narrative that included all the key events that occur in Rose Blanche. Furthermore, on Friday last week, we had the first session of a new workshop that we will be working on for the next 3 weeks called the GREAT project. In this we will be learning all about what makes a relationship healthy and what can make them unhealthy. Also, **5GS** are looking forward to our Library visit next Thursday and are exciting to swap books or take new ones out.

**Year 6** have been studying Light in science. They've completed many investigations eg Does light travel in straight lines? Their latest learning objective was to investigate whether objects cast the same shape shadow. Yr 6 made a shadow puppet and used torches to check their predictions. They had lots of fun, whilst learning.

## Nursery Rhymes at Holgate

In EYFS and Key Stage 1, the children will be having a weekly nursery rhyme focus.

This will be practised in each class throughout the week as well as during assemblies.

Every Friday, this will be put on the newsletter in preparation for the upcoming week. This will give you chance to engage with the nursery rhyme with your child at home too.

The nursery rhyme for the upcoming week is...

### Incy wincy spider

Incy wincy spider climbed up the water spout,  
Down came the rain and washed poor incy out,  
Out came the sunshine and dried up all the rain,  
So incy wincy spider climbed up the spout again.
